Re: Notice of Consummation-STB Docket No. AB-1053X-
Michigan Air-Line Railway Co.-Abandonment Exemption-
Line in Oakland County, Michigan

Dear Ms. Brown:

230591

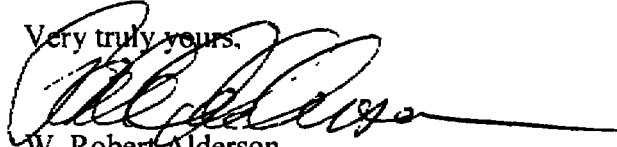

In accordance with the provisions of 49 CFR 1152.29(e)(2), Michigan Air-Line Railway Co. ("MAL Railway") hereby notifies the Surface Transportation Board ("Board") that, pursuant to authority granted by the Board's decision served on August 24, 2010, in the above-captioned docket, MAL Railway has abandoned that segment of its rail line in West Bloomfield Township, Oakland County, Michigan, extending from the west line of Arrowhead Road (Engineer's Profile Station 2250+20) to the west line of Haggerty Road (Engineer's Profile Station 2389+72). On or about June 24, 2011, the abandonment of this line was consummated, following the conveyance on December 13, 2010, of said line's right-of-way to the West Bloomfield Parks and Recreation Commission, subject to MAL Railway's right to conduct salvage operations on the line, which have now been completed.

Accordingly, by virtue of this notice, it is the intent of MAL Railway that said rail line be removed from the interstate rail network. A copy of this notice is being served concurrently on the Michigan Department of Transportation, Michigan Public Service Commission and the West Bloomfield Parks and Recreation Commission.
